RE: Docket No. 98N-1265

To Whom it may concern:

As a consumer I want to register my concern and disapproval of the Memorandum of Understanding published by the FDA on January 21, 1999 to provide guidance to State Agencies.

As it is currently written the MOU and the Compounding Section 503A of the Modernization Act severely restrict my rights to obtain healthcare products from the provider I choose. As a consumer, I feel that there should

98N-1265

C 2988

be no restrictions on the delivery of a compounded medication prescribed for me regardless of where I live.

Please amend the Memorandum of Understanding as it is written.
