Re: Docket No. 98N-1265

Dear FDA,

8435 '9 JUN -1 A10:54

I am writing to let you know I would like the MOU amended! I resent the fact that the government keeps on pushing their way into our lives. We need less government not more!

In its present form, the MOU, as well as the Compounding Section 503A of the Modernization Act, overly restricts the rights of the physicians and patients to obtain health care products from the provider of their choice, and infringes on the rights of compounding pharmacist to serve the public's medical needs.

Please don't take away our ability to choose!

Sincerely,

Diana L. Winecke
