To Whom It May Concern:

I OPPOSE the DRAFT MOU being proposed by the FDA; in particular, I OPPOSE & OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Due to my personal health needs & severe allergies to numerous chemical agents & substances, I must have ready & unlimited access to natural pharmaceutical products which can be compounded in the proportions which will help me attain better health. Please take into consideration the fact that there are many Americans in a
