IRRADIATION IN THE PRODUCTION, PROCESSING, AND HANDLING OF FOOD

5494 '99 MAY 21 P2:30

Dear Sir, I would like to comment on the proposal for labeling irradiated foods. I would like all irradiated foods to be clearly + prominently labeled as such, I would like it to be labeled prominently if any of the ingredients are irradiated. And finally, I would like these labling requirements to be in effect indifinitely

Sincerily
