Dr. Jane Henney, Commissioner,
U.S. FDA
5600 Fishers Lane, Room 1471
Rockville, Maryland 20857

Dear Commissioner Henney:

I am writing to you to invoke your support (hopefully!) in opposition to the use of antibiotics to promote growth and prevent disease in the cattle industry. Also, it has been proven to have ill effects with hogs and poultry. Please seek a ban on these very dangerous usages of antibiotics in animal feeds. Thank you.

Sincerely yours,
Janeice V. McConnell
