Dear Dr. Jane Heaney,

4247 '99 JUN -4 P1:30

Please outlaw the use of human antibiotics in animal feeds.

Our long-term well being is already threatened by the sometimes frivolous use of antibiotics in humans. Merely adding it to animal feed, not merely using it for diseased animals, is irresponsible and should be considered criminal.

Sincerely,

99P-0485

C 765
