Dr. Jane Henney
Commissioner
U.S. FDA
5600 Fishers Ln Rm 1471
Rockville MD 20857

Dear Dr. Henney,

I do not approve of the indiscriminate use of antibiotic in animal feeds.

Is it worth risking the future health of ourselves and our children for the convenience of farmers raising farm animals. Perhaps they should begin monitoring the general health of their animals more carefully, save money on cheaper feed and live to a healthy 90 years.

Antibiotics are overused. This abuse should and needs to be stopped NOW!!

Sincerely,

99P-0485
