14 Apr '99
Docket # 98N-1038

5771 '99 MAY 24 A11:01

Please retain the labeling "treated with radiation" or "treated by irradiation".

I ask that you keep the radura symbol so we can be a wise buyer.

For myself & family do not let FDA's labeling requirements be permitted to expire

Thank you for considering my letter.

Sincerely,
Elsie Player & family
