4/24/99

Dockets Management Branch

Dear Sir:

5764 '99 MAY 24 A10:59

Please relax the labeling "treated w/ radiation", keep the radura symbol, + do not let the F.D.A.'s labeling requirements be permitted to expire.

You are responsible for representing me, + these foods should be prominently labeled, and all irradiated components of a food should be identified.

Sincerely,

Carolyn Seither
