Ref: Docket 99P-0033/CP1.

Dear Commissioner Henney,

Per information received from The Humane Farming Assn., please put an end to the practice of feeding dead pigs, horses, and other animals to other farm animals. Cows are not meat eaters and should not be forced to eat dead animals.

In fact, after reading some pamphlets from the Humane Farming Assoc., re many commercial farms and slaughterhouse practices, it appears to be a very good idea to become a vegetarian!

I hope your department can help to end cruel and unhealthy practices toward animals as well as humans. Thank you.

Sincerely
Mrs. Madge Rubsam
