R.E. - Docket 99P-0033/CP 1
Dear Ms. Henney:

I urge prompt action on the HFA petition to end the practice of feeding dead pigs, horses and other animals to other farm animals - especially cows who are not meat eaters by nature.

The threat of TSEs is very real and frightening, and steps should be implemented to prevent the outbreak of any of the TSE diseases. Thank you.

Sincerely,
Dorothea J. Goetz
