Commissioner Jane Henney
FDA; 5600 Fishers Lane
Rockville MD 20857

Dear Commissioner Henney

The Humane Farming Assoc. has filed a petition to put an end to the practice of feeding dead farm animals to other farm animals - (Docket 99P-0033/CP1). Mad Cow disease and other related diseases are caused by this practice. The Food & Drug Administration should take action to stop the practice entirely and do its job of protecting the health of the American people -

Sincerely
Peggy Toll
