Dear Commissioner Henney:

(Docket 99P-0033/CP1)

1559 '99 JUN -9 A10:34

Please act on the HFA's petition to put an end to feeding dead horses, pigs and other animals to farm animals.

This is absolutely disgusting! Cows are not carnivores! What is the purpose of this? It makes as much sense as feeding them stysofoam! Are the ranchers too cheap to buy grain? I dont think many people would want to buy

beef if they knew what source this stuff came from. Please! let cows feed like cows —! on grass or grain not four legged animals!

Thank you.
