4/26/99

Dear Ms. Henney,

I am writing in regards to an issue of The Humane Farming Assoc. spring '99 issue, which I would like you to act on the HFA petition and put an end to feeding dead farm animals to living farm animals.

I really get sick when I read this kind of news - but I can't ignore it and therefore am asking you to please help stop it.

Thank you,

Sincerely,

Angela R. Critelli
