Dear Ms. Henney,

1500 '99 JUN -9 A10:26

I am writing today to plead with you and the FDA to please act on the HFA petition to put an end to the practice of feeding dead pigs, horses and other animals to other farm animals. Cows are not meat eaters by nature and shouldn't be forced to eat dead animals.

your children & Grandchildren(?) are eating this food - the incidence for disease & potential for disease are staggering. Please, please, put an end to this practice.

Thank you,
