Dear Comm. Henney,

The Humane Farming Assoc. has a petition out regarding feeding dead pigs and horses and other animals to farm animals.

This is a dangerous and terrible practice and must be stopped! I demand that you act on this petition. Cows are not meat eaters by nature and should not be forced to eat dead animals.

Also, you are subjecting all humans who eat this meat from these places to deadly diseases. This could be one of your ~~[illegible]~~ family members who gets this disease. Are you willing to take this chance?

Stop this practice now!

Thank you,
Kathis Jenis
