Re: Docket # 99P-0033/CP1

Dear Ms Henney -

It seems absurd that I should be writing to request that you act on the HFA petition to stop feeding dead animals to other animals that do not eat meat naturally. The potential for disaster to humans, as an end result, is so obvious. The only reason to continue this disgusting practice is to gratify the greed of the people doing it. Please!!

Sincerely,
Carol Anderson
