Dear Miss Henney;

This letter is in reference to Docket 99P-0033/CP1.

There must be an end to the practice of feeding dead pigs, horses, and other other animals to other farm animals. Therefor I demand that the FDA act on the Humane Farming Association's petition immediately.

This issue must be acted upon immediately. It has dragged on and on far too long.

Cows are not meat eaters by nature and should not be forced to eat dead animals.

Thank you kindly for your consideration.

Sincerely yours,

Betty Rand
