May 17, 1999

Jane E. Henney, FDA Commissioner

Consumers need to be able to identify irradiated foods at supermarkets and restaurants. Hence irradiated foods need to carry a prominent disclosure, in easy to read type, on the front of the package.

0858 '99 JUN -7 P2:11

In order to make educated choices people cannot do so without honest identification.

Please give this serious attention. Thank you.
