Dr. Jane Henney, Commissioner
U.S. FDA
5600 Fishers Lane, Room 1471
Rockville, MD 20857

Dear Dr. Henney:

This is an urgent request to you to ban the use of human antibiotics in animal feeds. The prevalence of antibiotic-resistant germs is increasing alarmingly and human exposure to and ingestion of antibiotics could be considerably reduced if animal feeds were not "contaminated". Please use your influence to work to forbid this practice.

Sincerely yours,
Lucille C. Record
(Mrs. Frank A. Record)
