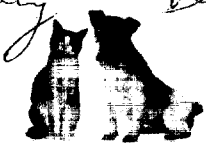
Dear Dr. Henney,

Please WITHDRAW APPROVALS for the use of medically important antibiotics to promote growth in farm animals.

You have a petition to this effect from the Center for Science in the Public Interest, cosigned by the Union of Concerned Scientists.

These are reputable, knowledgeable organizations. I support their position BOTH for the sake of sick children and for the sake of the brutally exploited farm animals.

Sincerely,
Judith Stetson



Member of The Humane Society of the United States
