June 6, 1999

Dr. Jane Henney
Commissioner USFDA
Rockville, MD

2844 '99 JUN 14 P1:45

Dear Dr. Henney:

I urge you to consider revoking the approval of antibiotics in animal feed.

I am a nurse and work in a hospital -

I am very aware of how easily the misuse of antibiotics makes diseases resistant to antibiotics.

Sincerely
Martha Turnquist
