Dr. Jane Henney, 2794
Commissioner,
US FDA
5600 Fishers Lane
Rockville, MD 20857

Dear Dr. Henney,

This letter is to urge you to ban the use of human antibiotics in animal feeds. Use of these drugs should only be used on animals in need and not as a routine to promote animal growth and prevent disease. Human medicine should be the principal user of antibiotics to insure their effectiveness when needed.

Sincerely,
Vita Marie Torres
(Mrs. James A.)
