Dear Mr. Laffe, or,
To whom it may Concern,

I'm writing about an issue very important to me. I want to state that I support the petition to ban forced molting of layer hens (docket 98P-0203/CP) I Can't believe the United States allows this Cruelty to Continue, when Great Britain has banned forced molting in 1987 and most European Countries don't allow food deprivation for more then 24 hrs. I was told I could be of help if I wrote this letter. I only wish there were more I Could do. Please get the forced molting banned as soon as possible.

Sincerely,
Judy Forrester
