To whom I may concern. 16 Jun 99

Tell me about BGH. Is it safe?
There are reports indicating Growth
Harmonies - feed to Beef & Dairy
cattle lead to disease in humans.
Why is it necessary [illegible] 5068 '99 JUN 25 [illegible]
countries [illegible] it? Personally, I
oppose BGH, esp. since Mad Cow
episode. Please advise.
Thanks. A concerned citizen.
