6/1/99

Dear Mr Lake,

4581 '99 JUN 22 A10:47

I object to the US participation in the current CODEX food labelling campaign.

As Americans, we have the right to know if the food we are buying has been produced using genetic engineering of any sort or contains growth hormone.

Our country is about freedom, please do not take away our freedom of choice by participating in the current Codex food labeling campaign.

Sincerely,

Mary Vrabec C5599
