Ms. Kathleen F. Fogarty
4336 Clayford St
San Diego CA 92117-4134

Dear Dr. Michael Friedman

I am raising a one year old daughter. She has started to eat real food now and I am trying to avoid foods treated with pesticides, growth hormones, and foods that have been genetically modified. Please require that food be labeled so that people will know what they are feeding to their children. Thank-you!

Sincerely,
Kathleen Fogarty
