"Official 49er Fan"

Dear Mr. Jaffe,

5523 '99 JUN 29 A10:10

our family supports the petition to ban the forced molting of layer hens (docket 98P-0203/CP)

Since reading about the lives of chickens raised for the benefits of Human consumption, our family is using eggs-readers & slowing cutting back on eating chicken. Were trying to teach our 4'12 yr old proper morals of kindness to all living creatures. We should treat the animals we eat & help provide for us with a happier life.

Sincerely
Mignon Demma
