RE: DOCKET # 98N-1265

To the FDA,

The MOU must be amended. In its present form, the 6061 '99 JUL -2 P1:41 well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of physicians and patients to obtain healthcare products from the provider of their choice, and infringes on the rights of compounding pharmacists to serve the public's medical needs. I use a compounding pharmacy for obtaining "natural estrogen and progesterone". They can not be obtained at a regular pharmacy.

Sincerely,

Pamela Neary
