Re: Docket no. 98N-1265

Dear Sirs,

I would like to see the MOU amended so that the rights of compounding pharmacists to serve the interstate public's medical needs are not infringed. I have obtained compounded, plant-based hormones from the Women's International Pharmacy in Madison, Wis. for several years. These hormones are necessary for my health and not available locally.

Therefore, please amend the MOU to protect the rights of compounding pharmacists to serve their interstate public.

Sincerely,
Nancy Currier
