Dear Madam or Sir,

Regarding Docket # 98N-1038 "Irradiation in the Production, Processing and Handling of Food":

7392 '99 JUL -8 P1:55

I would like to ask that you require irradiated foods ~~that~~ to be labeled with the radura. This way I will be able to avoid them in the supermarket.

I try hard to buy organic food that is as fresh and pure as possible, and I am very nervous that I would be thwarted in this pursuit if irradiated foods aren't labeled.

Not only is labeling a health issue,
