Ellen L. Eckels 4780 Idlewild Cir. Salt Lake City, Ut 84124-5623

Dear Dr. Jane Henney,

I strongly support the CSPI petition urging restriction on the use of valuable cattle, hog, + chicken fatteing As you know, the potency of these drugs is at risk because of over use. Children's health is more important than cheap chicken or meat. Producers should use other methods to produce safe meat at reasonable prices. Thank you for your attention — Ellen Eckels
