Ms. Virginia Lyons
6113 Fellowship Rd
Basking Ridge NJ 07920-3909

Dear Dr. Henney:

I am very concerned about the use of antibiotics in animal feed ~~[illegible]~~ would urge, hope & pray that the FDA will ban their use.

'99 JUL 13 A7:28

This is a life threatening practice, as we all become immune to necessary antibiotics! Virginia Lyons
