July 1, 1999

To whom it may concern,

I am deeply concerned about the possibility of weakening the requirements regarding the labeling of irradiated food. All foods that have been irradiated should be clearly labeled in such a way that any person could clearly understand that irradiation has occurred. The public has a right to know. Any other word which might be misleading should not be used in the labeling.

Sincerely,
Martha Rabaut, Eco-Justice Coordinator.
Sisters of the Immaculate Heart of Mary.
