Dear Sir:

I've recently recived word your trying to restrict my rights as a Consumer and/or as a prescriber of Compounded drugs products. RE: Docket No. 98N-1265

You dont relize I have tried just about every medican there is to the result of haveing a DNC sept will be a hysterectomy for which you could well be the Cause since the only medican I've been able to use is from Women's International Pharmacy and their in Madison, Wi.

I'm also going to write to my U.S. Congress Officials in both the House and the Senate to register my disapproval of the PMOU as currently drafted.

Your truly
Shirley M Schultz
