This is a petitition that you enact a total ban of all genetically engineered "foods". Make genetically altered foods not legal for consuption in the USA. A,S,A,P. JUL 12 A10:14

If you will not enact a total ban, then, I petition that you enact complete labeling laws that make it mandatory that all genetically engineered (or altered) "foods" state specifically that they have been genetically engineered. I request mandatory labeling of all of these

→ products. Give the consumer the "right to know" if any product contains any genetically engineered material.

And I petition a complete ban on all animal genes from appearing in any fruit, vegetable, or plant. Make this illegal!
