To whom it may concern;

I won't buy irradiated food, which is why the food companies don't want it labeled as such. I think it's unsafe, though you and your cronies would want me to believe otherwise.

For those fools dumb enough to buy it, it should be PROMINENTLY labeled on the FRONT of the package, and NOT HIDDEN in the list of ingredients. Also every piece of produce, or box, bin, container, shelf, or wherever it is sold out of, should
