13 JULY 199.

(I realise the deadline of JULY 6 has passed, but this matter did not come to my notice until after that date)

RE: DOCKET # 99D-0557

I am against any xenotransplant research. The threat of inter-species virus transmission, regardless of species, is just too great a risk to take.

1262 '99 JUL 16 A9:36

The U.S. should follow the example of the Council of Europe (representing 40 European countries) in recommending a world-wide ban on xenotransplants.

Yours faithfully
D. R. Nicholson
