IRRADIATION COMMENT FORM

attention FDA: keep irradiation labeling!

Re: Docket # 98N 1038, "Irradiation in the Production, Processing, and Handling of Food"

0142 '99 JUL 16 A9:1

TREATED WITH IRRADIATION

I believe FDA should keep its Requirements to PROMINENTLY Label irradiated Food with Radiation Logo AND clearly words "Treated with irradiation" we need truth in package labelling
