To Dockets Management Branch:

I am a senior citizen, living on a fixed income which seems to diminish as cost of living rises every year.

I am currently taking a compounded drug that is shipped to me from outside N.C. This drug is much less expensive than the same compound as created (created) here at a local pharmacy, and I need to save money wherever and wherever I can.

Ergo, I am requesting you to amend the MOU to reflect my request that I be able to continue receiving the service as described above.

Sincerely,
Eleanor A. Zitin
