TO WHOM THIS MAY CONCERN,

I AM OPPOSED TO THE IRRADIATION OF ANY FOOD ITEM; SPICES MEATS, PRODUCE, HERBS WITHOUT THE PROPER LABEL OF THE RADURA OR THE PROPER WORDING; I.E.: IRRADIATED.

I RECENTLY SAW AN ADVERTISMENT FROM AN IRRADIATION COMPANY USING THE WORDING "COLD PASTEURIZATION" THAT IS MISLEADING, CLEARLY DESIGNED TO MAKE IRRADIATION MORE APPEALING!

I THINK IRRADIATION OF FOODS SHOULD BE SCRUTINIZED AS MUCH AS THE TOBACCO INDUSTRY SHOULD HAVE BEEN.

I AM ASHAMED, AS AN AMERICAN TO REALIZE TO WHAT EXTENT BIG BUSINESS CAN GET AWAY WITH THE DESTRUCTION OF PEOPLES HEALTH, SIMPLY BECAUSE THEY CAN "BUY POWER" IN THE UPPER ESCELONS OF THE GOVERNMENT.

WE SHOULD NOT EVEN BE RE-VISITING THE IRRADIATION ISSUE, THE PEOPLE HAVE DECIDED ON THE SYMBOL ETC.

Thank You, C4084
