Docket # 98N-1038

0604 '98 JUL 19 P3:02

Leslie Reed
P.O. Box 1102
Oracle AZ
85623

Dear Sirs and Madams

I urge you to insist that foods which are irradiated (AKA cold pasturization) have a warning label.

I want to choose with complete information what goes into the bodies of my children.

Don't allow non-labelling of food to happen (Docket # 98N-1038)

Thank you

Leslie K Reed
