The North Shore Animal League saves abandoned dogs and cats, and finds them new homes.

3/11/99

POST CARD

Dear FDA,

I am against any xeno-transplant reasearch. The US should follow Europe's lead & do a world-wide ban. Preventive medicine & increasing human organ donations should be the forrunners. Humans should not be allowed to play God. There comes a point when scientific experiments must cease.

PC-45
