6/11/99

Dr Jane Henney, Commissioner
U.S. FDA
5600 Fishers Lane, Room 1471
Rockville, MD 20857

8559 '99 JUL 12 P3:34

Dr. Henney,

This letter is to urge the FDA to ban human antibiotics in animal and poultry feeds.

Already many disease causing bacteria are becoming resistant to treatment because of overuse of the antibiotics for people & for animals/poultry.

Please move to protect the public.

Sincerely,

Mr + Mrs Jack (Betty) Dean
PO Box 428
