Dear Mr. Jaffe 96 99 JUL 19 22

I recently learned to my horror what happens on chicken and egg production farms. It made me ill. As if conditions were not cruel enough, I found that some production farms use forced molting. Also, that forced molting was so cruel that it was banned in the U.K. in 1987!!

Please use you influence to stop this practice. Please,

Sincerely
Carol Cantino
