7/17/99

Greetings!

I am concerned about the practice of forced molting in the egg industry. Not is it only extremely painful to the hens, it makes hens more susceptible to Salmonella infection.

8500 '99 JUL 21 P12:10

I support the petition (docket number 98P-0203/CP) that the United Poultry Concerns has submitted for a ban on forced molting. Thank you,

Sean Lanham
