Re: Docket # 98N-1265

Ladies and Gentlemen,

As a consumer of health care services I want to express my concern and disapproval of the MOU published by the FDA on January 21, 1999. In its present form the MOU severely restricts the right of physicians and patients to obtain healthcare products from the provider of their choice.

As a healthcare consumer there should be no restriction to the delivery of compounded medication prescribed for me, regardless of where I live.

The MOU should and must be amended. Thank you for giving this matter your fair consideration.

C4319

Sincerely,
Gertrude S. Rosensweig
