Re: Docket # 98N-1265

I send this letter as a consumer of healthcare to register my concern & disapproval of the Memorandum of Understanding as published by the F.D.A on January 21, 1999.

In its present form, the MOU, as well as the Compounding Section 503 A of the Modernization Act, severely restricts the right of the physicians & patient to obtain healthcare products from the provider of their choice. It also infringes on the right of compounding pharmacist to serve the public's medical needs. As a healthcare consumer, there should be no restrictions to the delivery of a compounded medication prescribed for me, regardless of where I may live or may travel. "The MOU must be Amended"
