Re: Docket No. 98N-1265
Memorandum of Understanding
Compounding Section 503A
of the Modernization Act

I would like to register my complaint & express concern about the drafted memorandum of understanding which limits my access to compounded drugs. I order a compounded drug, a combination of hormones, which was prescribed by my doctor because I cannot tolerate the usual type prescribed. I have tried them & I get all kinds of side effects. The kind I take now, which is compounded, works for me, but I have to order it from out-of-state. I know of NO pharmacy around

here that compounds drugs.

When I lived in Florida, there was a pharmacy nearby that compounded drugs, but it cost me <u>three times</u> as much as when I order it from out-of-state!

Please let the voice of <u>the people</u> be heard & amend the memorandum as soon as possible, but no later than July 29, 1999.

Please don't allow my rights to be restricted in getting the medication I need & can afford!

Sincerely,

Gail Eberhardt
