RE: DOCKET NO. 98N-1265

July 20, 1999

To Whom it May Concern

7852 99 JUL 26 A10:24

In its present form, the MOU, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of the physicians and patients to obtain healthcare products from the provider of their choice. It also infringes on the rights of compounding pharmacists to serve the public's medical needs. As a healthcare consumer,

98N-1265

C 4494

there should be no restrictions to the delivery of a compounded medication prescribed for me, regardless of where I may live or may travel. The MOU must be amended no later than July 29, 1999.

Sincerely,

J. C. Engstrom
